MAYOR'S MESSAGE

I would like to thank everyone who visited the City of Linn Creek to make our Halloween Trunk or Treat a success despite the bad weather. The cold and rain did not deter the kids from coming to experience our haunted house and collecting candy from all of our Trunkers. The City of Linn Creek truly appreciates all of our participants in our annual trunk or treat event. This month an additional page will accompany the newsletter to highlight those who helped make the event possible. An event such as this takes lots of planning and cooperation of the staff, volunteers, businesses, residents and all those who donated.

Every year I am amazed by the hard work and generosity of so many. I want to give a special shout out to Larry Gross for all the work he does and my wife Brandi Davis who turns our office into the kid friendly haunted house that so many love.

As one event ends, we start preparing for the next. Join us on December 16th from 2:30 to 4:30 for our Christmas event where Santa visits City Hall and gives presents to all the kids that reside within the city limits of Linn Creek. Parents, we will need your cooperation in obtaining the names, ages and gender of your children and a way to contact you. Please contact our office at 573 346-6200 to provide this information.

In addition to our Christmas Santa event for the children of Linn Creek, we will again be having a house lighting contest. The city will be awarding the top three houses with prizes. First place will receive \$100, second place \$50 and third place \$25. Next month's newsletter will include the date that the judging will take place. Let's light up the city of Linn Creek with lots of Christmas lights and decorations.

CHIEF'S DISPATCH

Greetings City of Linn Creek,

I Want to give a big thank you to all our volunteers and city employees for helping with the trunk or treat this year. It was rainy and cold, but we still had a good turn out this year.

Also, i would like to welcome our new Police cadet Dakota Oberndorfer that is currently in the Police Academy and will join our part-time officers. As winter is coming, please remember the roads will be getting slick and to take that extra step when stopping. Be safe out there.
